RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Commissioner for Patents
U.S. Patent and Trademark Office
Customer Service Window, Mail Stop Amendment
Randolph Building
401 Dulany Street
Alexandria VA 22314

Sir:

On January 26, 2005, Applicant filed a Response Under 37 C.F.R. § 1.111 in the above-captioned application. On June 15, 2005 (nearly 6 months later), a Notice of Non-Compliant Amendment (37 C.F.R. § 1.121) was mailed, setting forth a one-month period of time to re-submit the corrected section which complies with 37 C.F.R. § 1.121. Applicant herewith re-submits the entire "Amendments to the Claims" section of the response that was filed on January 26, 2005, including the required correction thereto.

The Notice of Non-Compliant Amendment indicates that each claim should be provided with a proper status identifier. Upon review of the filed response, Applicant noted that the response filed on January 26, 2005 inadvertently failed to identify that claim 53 was currently amended, although a review of the claim clearly indicates such.

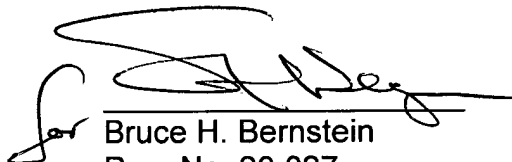

P25631.A07

Accordingly Applicant herewith submits the entire "Amendments to the Claims" section of the response filed on January 26, 2005, corrected to properly indicate that claim 53 is currently amended. Applicant notes that the re-submitted section provides a complete listing of all the claims, with each claim including a proper status identifier.

Applicant notes that the Notice states that only the corrected section of the non-compliant amendment document must be re-submitted in its entirety. Accordingly, the remainder of the response filed on January 26, 2005 is not enclosed herewith. However, should the Examiner wish that a full copy of the previously filed amendment (with the correction made therein) be supplied, the Examiner is requested to contact the undersigned.

If there should be any questions concerning the application, the Examiner is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
Takao NAOYA
